Welcome to Alumdar Handicrafts Producer Company Limited ! Our mission is to preserve the rich traditions of handicrafts in Jammu & Kashmir while empowering local artisans. Founded in April 2022, we specialize in premium-quality knitted and crocheted fabrics, along with other handcrafted textile articles. Our company stands as a testament to the passion and skill of artisans who create unique pieces that reflect our heritage.

At Alumdar, we believe in quality, authenticity, and sustainability. Every item produced by our artisans is crafted with care, ensuring our handcrafted products are both beautiful and eco-friendly. Whether you're seeking exclusive hand-knit textiles or stunning crocheted creations, Alumdar Handicrafts offers products that celebrate the art of Kashmir.

Our Vision

At Alumdar Handicrafts, we dream of a world where traditional craftsmanship is valued. We believe in our artisans' potential. We want to elevate their status in society. Our goal is to create a sustainable system that supports local crafts. This will allow artisans to thrive and contribute to our region's cultural heritage.

Our commitment goes beyond selling products. We want to be a leading brand recognized for quality, authenticity, and social responsibility. Through our efforts, we hope to inspire a new generation of artisans and craft enthusiasts. They will appreciate the beauty and value of handmade products.

Our Vision

Our mission has three main goals:

- 1. Empower Artisans:** We aim to empower local artisans. We provide fair wages, skill development, and opportunities for exposure. We want to create a supportive community where artisans can share their knowledge. By equipping artisans with the tools they need, we boost their confidence and social standing.
- 2. Promote Handicrafts:** We want to showcase the beauty of Kashmiri handicrafts. We use creative marketing strategies. By connecting artisans with more people, we raise awareness about supporting local craftsmanship. This includes joining trade fairs and working with influencers to share the stories behind our products.
- 3. Sustainable Practices:** We are committed to eco-friendly practices. Our production processes prioritize environmental conservation. We encourage artisans to use sustainable techniques that respect our region's natural resources. This includes organic materials and natural dyes.
